Status	Pending

No Issues Found

Your code was reviewed and no issues were identified. Excellent work!

Code: main.py

```
1 | # Test submission for code review
2 | def calculate_sum(a, b):
3 |     # Missing type hints
4 |     result = a + b
5 |     return result
6 |
7 | def main():
8 |     x = 10
9 |     y = 20
10 |    print(calculate_sum(x, y))
11 |
12 | if __name__ == "__main__":
13 |    main()
```
